- Exercises with USMC participation: 38
- Exercises with decreased support: 3*
- Exercises with no USMC support: 7*

*Due to OIF/OEF requirements

MARFORPAC / MARCENT

TRAINING VALUE

- “While the two joint exercises were cancelled in CY 04, previous iterations of those exercises were key to the operational and tactical successes of the forces involved in OIF and OEF. Improvements in interoperability, smooth force flows, and knowledge of the AOR can be traced back to involvement in exercises such as Internal Look, Natural Fire, Native Fury, and Bright Star.”
